

Application for Advance Metering Infrastructure Community Opt-out

A Requesting Community that meets the requirements of Alliant Energy's (IPL) AMI Community Opt-out (AMICOO) tariff can apply to Alliant Energy to have the Requesting Community's eligible customers participate in AMICOO by completing the application and following the directions below.

To apply:

- Answer questions in Section A.
- Attach required documents outlined in Section B.
- Sign Section C.
- Email the completed application and all required supporting documents to amicoo@alliantenergy.com.
- For other inquiries or questions please call 1-800-ALLIANT (255-4268).

SECTION A – REQUESTING COMMUNITY, COMMUNITY CONTACT AND BILLING

This section must be completed as part of the application. The Community Contact is the individual whom the Requesting Community has designated to answer any questions we may have regarding this application.

Date	Requesting Community		
Community contact name	Title		
Mailing address	City	State	ZIP
Phone number	Email address		
The Requesting Community requests AMICOO for the following Alliant Energy metered services.			
<input type="checkbox"/> Electric <input type="checkbox"/> Gas <input type="checkbox"/> Electric and gas			
A Requesting Community has the right to elect that the Requesting Community, rather than the eligible residential customers in the Requesting Community, be billed for the costs of this tariff. How would you like the AMICOO charges (one-time application fee and monthly charges) billed?			
<input type="checkbox"/> Please bill the eligible customers within the Requesting Community. <input type="checkbox"/> Please bill the Requesting Community.			

SECTION B – REQUIRED DOCUMENTATION

This section identifies the information that must be attached as part of the application.

Legal Documents

Evidence supporting the legal process by which the Requesting Community determined to be subject to this tariff and can legally take such action on behalf of the members of the Requesting Community, including a certification that it has met all such obligations of that process, as required by the AMICOO tariff.

A detailed geographic description of the requesting community.

A list of residential customer names within the Requesting Community and corresponding service addresses.

SECTION C – COMMUNITY CONTACT SIGNATURE

A signature in this section of the application certifies that you are the designated community contact for the Requesting Community and have provided the information required by sections A and B of this application.

Signature

Date

After receiving a completed application, Alliant Energy will notify the Community Contact within 30 days to notify them if the Requesting Community is eligible for AMICOO. A calculation of implementation costs will also be provided, pursuant to the tariff.

Complete requirements for requesting communities can be found in the tariff located at the following:
