Interstate Power & Light (IPL), an Alliant Energy company, holds a Direct Pay permit from the Iowa Department of Revenue effective May 1, 2025. Under the Direct Pay program, IPL no longer pays Iowa sales tax to our vendors and is required to use this permit for all purchases in which the permit applies. Any sales tax due on purchases is remitted directly by IPL to the Iowa Department of Revenue.

You should keep a copy of this letter and the attached copy of IPL's Direct Pay permit in your files for reference during any future sales tax audits by the Iowa Department of Revenue.

Please note that per the Direct Pay regulations (Iowa Code 423.36(9)(b)), there are several types of purchases for which the Direct Pay permit does not apply. IPL will pay sales tax to the vendor for those excluded purchases, including: telecommunication services, cable television services, electric water and gas utility services, motor vehicle purchases, parking, hotel and motel charges, and taxable food purchases. In addition, for some purchases IPL may notify the vendor that the Direct Pay Permit does not apply and instruct the vendor to charge sales tax.

IPL will no longer issue Iowa exemption certificates when the Direct Pay permit is used, since the Direct Pay permit replaces all exemption certificates. On our purchase orders, we will continue to use the tax code for purchases excluded from direct pay and for our internal purposes. Please disregard any tax code information for purchases eligible for Direct Pay.

If you have any questions about the Direct Pay program, you may contact the Iowa Department of Revenue at 515-242-6487
