

Available for non-residential electric customers. All rebates are limited to 50% of equipment price.

Rebates are issued on a first-come, first-served basis. Rebates and incentives are offered until approved funds are exhausted or through Dec. 31, 2024, whichever comes first. Submission of claim form does not guarantee payment. Alliant Energy reserves the right to modify or end this rebate program at any time without prior notice.

New construction is defined as a building completed any time during the most recent five calendar years, including the current calendar year.

If you have questions or need assistance about qualified measures, call our Alliant Energy Agriculture representative at 319-237-3856. Or email at [AlliantEnergyAg@franklinenergy.com](mailto:AlliantEnergyAg@franklinenergy.com).

## Fans and ventilation systems

Program/equipment	Qualifications (fan diameter; minimum cfm/watt)	Existing buildings rebate	New construction rebate
<b>Ventilation fan</b>	14-23 inch; 10.1 cfm/watt	\$45 per fan	\$25 per fan
	24-35 inch; 13.5 cfm/watt	\$75 per fan	\$45 per fan
	36-47 inch; 17.4 cfm/watt	\$125 per fan	\$75 per fan
	≥ 48 inch; 20.3 cfm/watt	\$150 per fan	\$90 per fan
<b>Ventilation fan control</b>	Programmable ventilation controller	\$20 per fan	NA
<b>ECM ventilation fan and staging controls</b>	14-23 inch ECM ventilation fan	\$150 per fan	\$90 per fan
	24-35 inch ECM ventilation fan	\$250 per fan	\$150 per fan
	36-47 inch ECM ventilation fan	\$420 per fan	\$250 per fan
	*DC permanent magnet fans only ≥ 48 inch ECM ventilation fan	\$500 per fan	\$300 per fan
<b>Circulating fan</b>	12-23 inch; 10.7 cfm/watt	\$25 per fan	\$16 per fan
	24-35 inch; 11.5 cfm/watt	\$25 per fan	\$16 per fan
	36-47 inch; 19.0 cfm/watt	\$50 per fan	\$30 per fan
	≥ 48 inch; 21.5 cfm/watt	\$75 per fan	\$46 per fan

Minimum cfm/watt are at .05 inches static pressure. Fan-motor combinations must be Bess Labs certified or tested in an AMCA certified lab meeting AMCA 230-12 standards

## Livestock equipment/waterer/dairy

Program/equipment	Qualification	Existing buildings rebate	New construction rebate
<b>Dairy variable speed drive vacuum pump</b>	Variable speed frequency drive for dairy vacuum pump. Must be controlled by UL-listed device that meets applicable IEEE standards for harmonic control. Must be for blower-style pumps. Rotary-vane vacuum pumps not eligible. Existing vacuum pump must not have existing VFD.	\$5 per cow	NA
<b>Dairy heat reclaimer</b>	Qualifying units include Century-Therm, FreHeater, Heat Bank, Sunset, Superheater and Therma-Stor. Must have an electric water heater. Existing system does not have heat reclaimer installed.	\$5 per cow	NA
<b>Livestock waterer</b>	Must have > 2-inch insulation surrounding inside of water heater and an electric heating element.	\$40 per waterer	\$40 per waterer
<b>Hog farrowing heat mat</b>	Single heat mat rated at 90 watts or less (typically sized at 14" x 60")	\$70 per single mat	\$40 per single mat
	Double heat mat rated at 180 watts or less (typically sized at 24" x 60")	\$100 per double mat	\$60 per double mat

All dairy equipment is ONLY eligible for existing facilities that have not had the equipment installed previously. Waterers with heating elements over 250 watts must have adjustable thermostats.

## Heating and cooling

Program/measure	Qualification
<b>Air-source heat pumps, Geothermal heat pumps &amp; Desuperheaters</b>	Air-source heat pumps, geothermal heat pumps, and desuperheaters now receive rebates instantly at the point of purchase when bought from participating distributors. To find contractors and installers that use participating distributors go to <a href="http://Alliantenergy.com/dealerlocator">Alliantenergy.com/dealerlocator</a> .

## Lighting

Program/equipment	Qualification	Existing buildings rebate	New construction rebate
<b>LED bulbs and/or fixtures must be ENERGY STAR or DesignLights Consortium qualified as appropriate. Lights must be installed to qualify for a rebate.</b>			
<b>LED linear replacement lamps, LED interior fixture, LED exterior fixture &amp; Lighting control</b>	Linear replacement lamps, LED interior fixtures, Exterior LED fixtures, and lighting controls now receive rebates instantly at the point of purchase when bought from participating distributors. To find contractors and installers that use participating distributors go to <a href="http://Alliantenergy.com/dealerlocator">Alliantenergy.com/dealerlocator</a>		
<b>Heat lamp</b>	Heat lamp ≤ 125 watts	\$1 per lamp	\$0.60 per lamp
<b>Horticulture lighting fixtures</b> minimum warranty of five years for fixtures and three years for lamps.	> 650 Watt Fixture > 400 Watt Fixture > 200 Watt Fixture ≤ 200 Watt Fixture	\$150 per fixture \$100 per fixture \$50 per fixture \$25 per fixture	\$90 per fixture \$60 per fixture \$30 per fixture \$15 per fixture

Must be installed on agricultural property owned by Iowa non-residential electric customers of Alliant Energy. Agricultural fixtures and controls in livestock barns, milk houses and parlors must meet state electric code and be sealed (dust-tight and watertight) and corrosion resistant. Fixtures must be UL-listed and must be permanently wired.

Linear LEDs over 4,000 lumens may use Custom Rebate program.

## Additional resources

Program	Qualification	Rebate
<b>Pre-approved Custom Rebate projects</b>	Energy-efficient equipment that uses energy from Alliant Energy and is not covered under the standard rebate program listed can be reviewed for rebate eligibility through the Custom Rebates program. <b>Projects must be pre-approved before purchase and installation.</b> Call 1-866-ALLIANT to speak to the Business Resource Center for details.	
<b>Farm Energy Assessment</b>	<b>Must be an Alliant Energy non-residential electric customer, and more than 50% of your energy bill must be for agricultural use.</b> Call our Alliant Energy Agriculture representative at 319-237-3856. Or email at <a href="mailto:AlliantEnergyAg@franklinenergy.com">AlliantEnergyAg@franklinenergy.com</a>	FREE

All new applications for projects expected to complete in 2024 and beyond are subject to new program rules.

Each project is subject to the possibility of a project rebate cap of \$25,000 for electric customers and \$2,500 for gas customers.

Electric customers are subject to a possible annual maximum amount of \$250,000 and gas customers are subject to a possible annual maximum of \$25,000.

All applicants must provide a copy of a W-9 showing Social Security number or employee identification number and legal name associated with the number provided on the document.

All programs are available to Alliant Energy agricultural customers in Iowa. Programs are valid Jan. 1-Dec. 31, 2024, and are subject to change. Alliant Energy must provide the main source of energy for qualifying equipment. Call our Alliant Energy Agriculture representative at 319-237-3856. Or email at [AlliantEnergyAg@franklinenergy.com](mailto:AlliantEnergyAg@franklinenergy.com).

Rebates limited to 50% of equipment purchase price. Rebates are for equipment installed Jan. 1-Dec. 31. Claim forms are due by Jan. 31, 2025.

Additional terms and conditions are available at [alliantenergy.com/termsandconditions](http://alliantenergy.com/termsandconditions).

### **Important information about your electric service before you make a purchase**

- Any time you add new buildings, upgrade or add new equipment, let us know so we can make sure you have the correct level of electrical service. If you expand from single-phase to three-phase, we need to know as soon as planning starts.
- In particular, if you agree a new corn dryer, we need to know for both electric and natural gas service (if you are a natural gas customer). Notify us before you make a purchase.
- We can determine your service needs, any cost you might incur and the timeline for making service updates.

## **How to apply and qualify for rebates**

### **For existing buildings**

Fill out and return the rebate form(s) and a copy of your sales receipt or itemized invoice by Jan. 31, 2024, for your selected product or service.

### **For new construction buildings**

#### **Option 1**

Obtain the rebate form online at [alliantenergy.com/rebates](http://alliantenergy.com/rebates). Invoice is required.

You may call 1-800-ALLIANT from 8 a.m. to 5 p.m. Monday-Friday to have forms mailed to you.

#### **Option 2**

Invoice not required if Alliant Energy ag representative verifies equipment eligibility during site visit. Call our Alliant Energy Agriculture representative at 319-237-3856.

Or email at [AlliantEnergyAg@franklinenergy.com](mailto:AlliantEnergyAg@franklinenergy.com).

### **Business Resource Center**

The Business Resource Center is here to help with any of your farm or agribusiness energy needs. You can reach us 8 a.m. to 5 p.m. Monday through Friday.

**1-866-ALLIANT (866-255-4268)**
